Garden Hill Renal Health Program

Located in Garden Hill, Manitoba the Island Lake Regional Renal Health Program (ILRRHP), a state-of-the-art six station Dialysis Unit, supports residents from the communities of Garden Hill, Wasagamack, and St. Theresa Point.

The Program was developed as a partnership between the First Nation Communities, Four Arrows Regional Health Authority, Manitoba Health, Manitoba Renal Program, the University of Manitoba, Health Canada, First Nations and Inuit Health Branch (FNIHB), and Aboriginal Affairs and Northern Development.

The Dialysis Unit under the auspices of the Health Sciences Centre, the Manitoba Renal Program allows many dialysis patients to receive their treatments close to home, allowing patients to be in the company of and receive support from their families and community.

Recruitment Bonus

A recruitment bonus of \$4,500 is paid to nurses who work full-time.

Retention Bonus

After completing 12 months of continuous employment in Garden Hill you are entitled to an ongoing retention bonus of \$375 per month.

Northern Living Allowance

Bi-weekly payment for single person is \$185.13, with dependents \$324.10.

Additional Benefits

- a regular work week of 40 hours
